

INTERNSHIP APPLICATION

Please describe your intention for learning this system of healing:

What licenses to touch or healthcare licenses do you hold?

Are you willing to commit to a contract for a minimum of 1 year and up to 1.5 years of study as determined by the teacher in clinic and then remain in the clinic post internship with the capacity of performing Kunye Therapeutics as a recommended practitioner for a minimum of 1.5 years following written completing internship? _____

INTERNSHIP APPLICATION

Are you willing to undergo this internship knowing that you will not be considered “ready to advertise” until given written authorization to practice. This mean you are willing to sign a contract that you may not advertise your skills in “Tibetan Kyune” or “Tibetan Medicine” or “Tibetan health consultations” until authorized to do so? _____

What is the biggest thing you hope to gain from this internship?

Please attach your CV with three contact references in healing arts / medical profession familiar with your work and study history and three letters of recommendation.

Mail to the clinic.
