

36 Hour Cancellation & Credit Card Number Policy Form

We request 36 hrs advance notice for cancellations or rescheduling of appointments, otherwise you are held responsible for full payment. This allows us to accommodate our waiting lists.

- * *Snow / severe weather late cancellation fees for under 36 hrs is up to the discretion of the practitioner. Please plan ahead for winter weather!*
- * We are happy to discuss any coming storms forecast the day before and feel this is a reasonable request. If we feel like we can make it in, for the most part so can you. Distance and snowfall are taken into consideration on a wait and see case by case bases.
- * *We can be flexible, but if we come and you don't' without proper notice, you'll be charged full or half fees.*
- * **NOTE:** Corona virus changes mean YES, you can change to Zoom video consult last minuet if you're unwell. We just need to be able to reach you to send a link. We ask you to collect a urine sample as you would ordinarily.

NO SHOWS for any appointments will result in the full session fee. We make every effort to appear in a timely manner and respectfully ask you to do the same. Often those on our waitlist can get in if we have the 36 hour notice, without it we cannot fill the waitlist. Likewise, we are paying for childcare to be present at the clinic and the charge for no shows reflects that we also pay to be here.

You may be asked for a credit card to hold your appointment slot if you are a new client / and or will be asked to fill out this form at your first appointment. ***All credit card info is kept separately in a locked cabinet. By signing this form you are agreeing to our cancelation policy.***
